1st

Regional Championship Series Fleet Champions

Annual series trophy to the J/80 skipper with the best results over the Toronto area regatta season.

Calculation of Series Results:

- The perpetual trophy will be awarded to the boat with the lowest points based on the overall position score awarded at the regattas forming the series championship (as designated at the AGM).
- Boats not competing in an event will be awarded points based on the total number of boats competing in the event plus 1 point.
- Boats skipping a local regatta to compete in the Nepean OD regatta or the North Americans will be awarded the average of their scores.
